The work parties last 2 hours but you don't have to stay that long, and we usually stop for a coffee. If you're still not sure, why not stop by a work party to say hello.

Tools are provided, although sometimes we do ask for you to bring something such as a spade or wheelbarrow. Training and work gloves are provided, and we place a high priority on ensuring safe working.

Children are very welcome, and must be accompanied by a responsible adult.

Would your group like to help? Contact us if you would like to have a work party just for you (minimum 10 people).
